

Crane Rental Quote Comparison

Give each provider the same job description. Copy actual quoted terms. Write "not stated" for missing information; an unstated item is not confirmed as included.

Project / job address

Load(s) / requested work

Preferred date / comparison date

Compare scope before price. Record revisions when the job, documents or schedule change.

What to compare	Provider A	Provider B	Provider C
Provider / quote date / revision Identify the contracting business.			
Included work / visits Removals, placements, items and quantities.			
Equipment & operator arrangement Proposed equipment; included or separate operator.			
Minimum / billing start and end Minimum charge; extra-time increment.			
Travel / delivery / mobilization Included, separate or awaiting confirmation?			
Rigging / supporting personnel Provider's scope versus your team's arrangements.			
Permits / traffic / site arrangements Who confirms, arranges and pays, if applicable?			
Waiting / schedule changes Delivery delay, crew readiness or access delay.			
Weather / cancellation / return visit Postponement, notice and remobilization terms.			
Overtime / other applicable charges Work windows, taxes, fees and stated exclusions.			
Quoted total & assumptions Copy stated total; keep optional work separate.			
Status / availability / next action Estimate, review pending or confirmed booking?			

Unresolved questions / who follows up

Keep the written proposal, terms, revisions and booking confirmation together. This tool does not choose equipment, approve site conditions or provide a lift plan.
